is it part of your job description to handle such issues?

Mr. Ecker,

As I have previously informed you, there is no conflict of interest. Therefore, no further action is required.

I believe that it is safe to say that the only thing you witness is Clean San Pedro cleaning the alley across the street from you. In fact they clean all of the alleys in the district. They have an entire schedule of duties they perform. I ran across a list of duties they perform so that you can see that their duties are broad and cover the entire district.

Thank you for your kind attention to this matter.

Sincerely,

Lorena Parker

Lorena,

Does the board have an ethics committee for dealing with potential conflict of interest issues pertaining to board members?
